Your award, your skills, your future

Bronze Certificate for Engaging in Extra Curriculum Activities

Awarded to

Ziyin Zhang

17 March 2023

Professor Philip Plowden
Vice-Chancellor

Professor Clare Mackie
Deputy Vice-Chancellor

To achieve my bronze award, I completed the following activities.

CREATIVE PROBLEM-SOLVERS

IT Induction

Attend an IT Induction and find out what IT resources there are, how printing works and how to access support, on campus and online.

Library Induction

Attended Library induction

Course induction

General induction for a range of courses - each year

ENTERPRISING

Success Course

The main content of the Success course is based around skills that you may need during your time studying and is designed to enhance your academic and maths skills. It is split into three sections: Study skills, Academic writing and Maths. You can complete any of these topics you think will be useful.

Academic Reading Skills Workshop

Centre for Academic Success

City Year - Public Speaking

Are you nervous about public speaking? City year presents this workshop to help you develop your confidence and skills when it comes to your public speaking!

PROFESSIONAL AND WORK READY

Welcome Week

Attended welcome week to discover opportunities available

City Year - A year to make a Difference in Education

City Year workshop outlining what volunteering opportunities are available for students of the university. Essential for people looking to get into education.

Personal Tutor meeting

Personal Tutor meetings are essential for student development.

GLOBAL OUTLOOK

Potential.ly Profile

Logged on to Graduate+ website to complete potential.ly quiz

Assessment Centres " Group Exercises " Year 1

The Activity for this session is a Group Exercise. A Group Exercise/Activity will typically be a component of an Assessment Centre.

Be in Control of your Future by Taking Control of Your Career Plan Now

Attend the workshop - Be in Control of your Future by Taking Control of Your Career Plan Now.
